ABOUT ME

Web Developer and Bot Developer with a passion for building clean interfaces and powerful automation tools. I specialize in WhatsApp bots using Baileys and Python, and front-end websites using HTML, CSS, and JavaScript.

Self-taught and continuously learning — currently 17 years old and open to freelance projects.

PROJECTS

Bakery Website

Web Project

A commercial website for a bakery business, featuring a clean product showcase with responsive design and contact information.

HTML

CSS

JavaScript

LION STORE

HTML

CSS

JavaScript

WhatsApp Bots

Bot Development

Multiple WhatsApp bots featuring auto-replies, group management, and custom commands — built for performance and reliability.

Python

Baileys

Node.js

LEARNING JOURNEY

Currently self-learning through online resources, documentation, and hands-on project building. No formal certifications yet — skills demonstrated through real-world projects.
